Dentons Business Services EMEA is an affiliate of Dentons, the world’s largest law firm dedicated to enabling the Firm to deliver better services and increased value for clients. With close to 300 dedicated business support professionals we strive to provide best in class IT, finance, business development and marketing, HR and practice development & innovation support to over 1500 lawyers spread across Europe and Middle East. We are proud to have built an unique, vibrant culture that is underpinned by passion, diversity and ambition to disrupt and innovate in the legal sector.

Our working environment is based on respect and safety where all our employees are encouraged to pursue their passion. We give our people voice and allow them to put their ideas into action and challenge the legal service delivery model.

Join Us. Become one of the challengers!
