<https://displate.com/>

Founded in 2013, Displate is the home of premium metal posters that let your fandom shine with millions of designs to choose from. Displates turn pop culture and personal moments into collectible art, showing the world what makes you, you – all with a modern finish and tool-free magnet mounting.

With 250+ officially licensed collections from iconic brands like Star Wars, Marvel, Netflix, and One Piece, original artworks from 50,000+ independent artists, and the freedom to upload your own personal designs, there's a Displate for every story you want to tell.

Discover why over 5 million people Displate their fandom at displate.com
